

Application No.: 10/568,488
Filing Date: March 25, 2008

INTERVIEW SUMMARY

Applicants thank Examiner Gibbs for the courtesy extended Applicants' representative Brenden Gingrich in the telephone interviews conducted on July 8 and 9, 2010. The proposed amendment of claim 34 to recite a modified oligonucleotide consisting of about 13 to not more than 23 linked nucleosides and the relevance of cited reference US 5,994,076 in view of the proposed amendment was discussed. Examiner Gibbs agreed to consider the amendment. No agreement was reached.
